**September 4, 2018**

### **Welcome**

7:00 Courtney called the meeting to Order  
Introductions were made all around

**Secretary's report:** May's minutes will be approved next meeting.

### **Treasure's report:**

We are over budget on discretionary monies due to more teachers than we thought we would have when we created the budget for this year. We were over budget on a 5th grade breakfast and under budget on kindergarten t-shirts but it is a wash with those items. Now we have to pay for storage so we need to add that line item. Outdoor Education hats were also purchased for 5th grade. District no longer pays for them.

### **Community Liaison Report:**

Dairy Chef was really well attended. We made \$200, last year was \$120.  
Next month will be Sam and Louie's on Sept. 26.

### **Principal's Report:**

We currently have 409 students and 21 sections.  
We have added 6 new staff members  
Curriculum night went well - less attendance than in previous years.

**Teacher Representatives:** Mrs. Christiansen was very thankful for all the support that Skyline families give to teachers and staff. Kids are settling in and getting to work. They are off and running!

### **Committee Reports:**

**Traffic Report :** Will resend traffic guidelines to families to remind them of traffic safety and how to keep drop off and pick up flowing smoothly.

**Apparel:** You can purchase online and there are still styles and sizes left. We will sell at Stomp and conferences.

**Box Tops:** Form came home last Friday and is due Oct 25. Each class has collection box. We will be collecting at Stomp as well so be sure and turn in your box tops.

**Stallion Stomp:** Volunteers are needed to help run games. Please consider signing up. We discussed sending out sign-up genius to teachers to see if they would like to help volunteer.
