Treasurer's Report

\$111 from Kroger \$108 from Urban Air. \$645 over budget. Over \$400 of that is due to water fountain. Bingo for books ended \$121 in the hole.

Community Liaison Report

Medieval Putt Sunday, February 10th from 3-6, 30% goes to school.

Principal's Report

Kindness is Contagious was a big success. Over 100-pounds of items were donated for the Open Door mission. Back to School 101 is no longer in the elementary level next year. Ideally, we'd align it like other schools, that combine curriculum night and back to school 101. Likely to move picture week to the first five days of school. Nothing is final - stay tuned. Share suggestions or feedback on how we can combine the two with number of students also attending.

Discussion with Ryan Lindquist on adding mural to the entryway wall. Touch up as needed with the painter, as district maintenance is unlikely to match the colors needed, etc for touch ups. Painter recommendations are welcome!

Send anyone with an incoming kindergartner to sign them up as soon as possible.
